August 13, 2021

Dear Adult Medical Day Care Provider:

Thank you for your participation in the recent provider survey. Your feedback and input are invaluable.

In our continued drive to fully reopen Maryland, we have provided approval through September 30, 2021 for the continued use of the Adult Medical Day Care (AMDC) administrative per diem rate of 85 percent for program participants who are not receiving in-person care. Providers are still required to complete the Office of Health Care Quality Connection Form to receive the administrative rate.

We are requesting federal approval to amend our Appendix K waiver authority to allow a phased unwind plan that may extend beyond September 30, 2021. The Department of Health is committed to working with you to ensure your facilities reopen safely and fully.

We will provide additional details as they become available. Please do not hesitate to contact us in the interim should you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink, reading "Steven R. Schuh".

Steven R. Schuh  
Deputy Secretary  
Health Care Financing and Medicaid
